

Post-Results Services 2024

In order to apply for Post Results, students must complete and sign either the Review of Marking Form, Access to Scripts Form or both.

In order to receive the outcome of review/copy of script, please add the student's email address if they have left the school. If the student is in Year 12 the result of the review or copy of script will be sent to their school email address.

Hard copies of the consent forms will be available on results day or can be downloaded from the VLE and website. These need to be scanned and emailed or you can return a paper copy.

Reviews of results(RORs)

1 Clerical check will include the following:

- that all parts of the script have been marked
- the totalling of marks
- the recording of marks

2P Priority Review of Marking, (mostly used for A levels if a University place depends on the results)

This is a priority review of the original marking to ensure that the mark scheme has been applied correctly

A marking error can occur because of

- an administrative error
- a failure to apply the mark scheme where a task has only a 'right' or 'wrong' answer
- an unreasonable exercise of academic judgement

2 Review of marking enquiries are dealt with in order of receipt by the exam boards.
