Support and challenge

# Healthy habits

- Attend school regularly and on time
- Get into a term time routine
- Limit devices in bedrooms / overnight
- Encourage your child to complete and hand in homework on time
- Talk to your child about what they are learning

# Our expectations

Attendance – at least 95% (did you know 90% attendance means you end up missing a whole half term over 2 years?)

Punctuality – school starts at 8.35am

- Behaviour Stage System
- Home School Agreement
- Uniform
- Mobile phones
- Punctuality
- Detentions

# Homework

Homework will be set over the course of the week. We suggest the following days for pupils to complete the work. This may help pupils and their families organise and plan their work across the week.

Monday - English

Tuesday - Maths

Wednesday – Science

Thursday – Humanities (History, Geography & Religious Education)

Friday – Modern Foreign Languages (Year 7 either French or German)

Design & Technology, Music, Art & Drama may also be set on any day of the week but is unlikely to be set on a weekly basis. PE and STEM homework will not be set.

## How much?

Each homework set should take approximately 20-50 minutes.

Pupils should expect to receive no more than 7 hours homework per week (1 hour per day across the full week), but typically we would expect approximately 3-6 hours per week, increasing as pupils progress through Key Stage 3.
