Post-Results Services 2025

If you are unhappy with your results, there are a few options you may wish to consider:

- **Reviews of Results (RoRs): Clerical check or Review of Marking**
- **Access to Scripts (ATS): access to marked examination scripts**
- **Referencing the grade boundaries (link to these on website)**

Reviews of Results(RORs)

Clerical check: will include the following:

- that all parts of the script have been marked
- the totalling of marks
- the recording of marks

Priority Review of Marking, (mostly used for A levels if a University place depends on the results)

This is a priority review of the original marking to ensure that the mark scheme has been applied correctly

A marking error can occur because of

- an administrative error
- a failure to apply the mark scheme where a task has only a 'right' or 'wrong' answer
- an unreasonable exercise of academic judgement

Review of marking enquiries are dealt with in order of receipt by the exam boards.

Reviewers **will not** remark the script. They will only act to correct any errors identified in the original.

You will need to complete and sign the relevant form(s): (Review of Marking and /or Access to scripts). Hard copies of the consent forms will be available on results day or can be downloaded from the VLE and website. These need to be scanned and emailed or you can return a paper copy

Please note that, as a result of an enquiry, your final grade may increase, stay the same or be reduced

For further advice, please contact students' subject teachers.

Access to scripts (ATS)

Scripts to support remarks

- If you wish to have a priority access to scripts to make a decision on a review of marking – this is free

Original/non priority Scripts

- If you wish to order an original/non priority script – there is an admin charge of £5 per paper
- If a teacher requests access to your scripts for the purpose of teaching and learning – the school will cover this cost

Payment

- If the student has moved into Year 12, the fee will be added to their Parentpay account for payment.
- The application will not be made until we have received payment
