What students have said

6th Form

I was worried to go but it turned out to be such a lovely trip! It was really easy to focus, the activities broke up studying really well. The food was yummy and I had a great time with my friends.

Genuinely one of the best school trips I've been on. Changing my study location to such a beautiful area allowed me to thrive during revision time and make large steps towards succeeding in my A-level exams. Furthermore, it provided me with a calming environment in the run up to a stressful exam period. It allowed me to become more focused and productive while studying but also gave me the opportunity to spend time with classmates. The structure, and attention to detail to make this trip as brilliant as it is doesn't go unnoticed! Thank you so much!

Morning runs, sunrise walk and singing round the camp fire were my favourite bits. I really enjoyed spending the time with my friends in such a nice location, as well as of course getting loads of revision done.
