2. Click on 'Open an eBook', or find the eBooks link from the left-hand menu
3. Tap/click on the Psychology textbook (it's green!)
4. If you are blocked (e.g. iPhone pop-up blocker) then you need to allow pop-ups on your device.
On an iPhone, go to settings → apps → safari → change Block Pop-ups
5. You should now see the Book in your browser
6. To access the Book more easily:
 - a. Find the Hachette books app and install
 - b. Open and login the same way as above
 - c. You should be able to see your eBook and download it for permanent access
7. You can access Boost from the website or app – the interactive features work on both

8. For quizzes, access Boost via a larger screen (PC, laptop, tablet)
