Introduction

We want to make sure that students and their families have all the information required to be successful in Year 11. It is clear that Wallingford School staff, both teaching and non-teaching, can have a significant positive impact on students' final results. Equally, the approach students take outside of school is very important.

We recognise how useful it can be for students and their families to have a full understanding of their courses and the supporting resources. This booklet will help students to grasp the specific structure, content, assessment requirements and potential revision materials associated with each course. We hope that it proves useful throughout the course.

Certification

The majority of courses in this booklet lead to GCSE (General Certificate of Secondary Education) qualifications. Students will be sitting the new specifications which means they will have all their subjects graded 9-1, where 9 is the highest award.

Vocational Courses (mostly BTECs) are graded at Level 1, or Pass, Merit, Distinction and Distinction* at Level 2, where D* is the highest.

Non-Exam Assessment (NEA)

In some courses the final written examination will be only one part of the overall assessment, and non-exam assessment (informally known as 'coursework') will form an important part of the final grade.

In all these courses students must be prepared to complete non-exam assessments on time and to the best standard they can achieve.

Non-exam assessment is work undertaken in the classroom but under exam conditions. In some courses this began in Year 10.

Core Subjects

English Language GCSE

Exam Board & Specification

For English Language, we follow the AQA specification - [link](#)

There are no studied texts for this course, as the final examinations are based on three unseen extracts.

Assessment

Students' marks and grades for this course are derived entirely from the two terminal, public exams.

There is a compulsory spoken language component that students will undertake, but this does not contribute to their final grade.

The two exams are constructed as follows:

Paper 1: (1:45 hrs / 80 marks)

Explorations in Creative Writing

a) **Questions 1-4** (40 marks)

A series of questions that assess students' ability to make inferences, analyse language and evaluate ideas based on a single, fiction extract.

b) **Question 5** (40 marks)

Students are required to produce a creative writing piece – with a choice between a description or a narrative – based on a stimulus image or idea.

Paper 2: (1:45 hrs / 80 marks)

Writers' Views and Perspectives

a) **Questions 1-4** (40 marks)

A series of questions that assess students' ability to make inferences, analyse language and evaluate ideas based on two, non-fiction extracts, one of which is pre-1900.

b) **Question 5** (40 marks)

A transactional writing piece that requires students to write persuasively on a given idea, most often in the form of a letter, article or speech.

Year 11 Mock Exam Information

Students will sit a full Language Paper 2 during the mock series in November.
(They will sit a mock Language Paper 1 in March.)

Support Materials

Useful resource material can be found at:

- BBC Bitesize: [GCSE English Language - AQA - BBC Bitesize](#)
- GCSE English Revision Pod: [GCSE English RevisionPod – Podcast – Podtail](#)
- English Language Walkthrough Guide: [Collins GCSE Grade 9-1 Revision - You can't revise for GCSE 9-1 English](#)

Other key points / reminders

- Students know the format of the questions in advance. Therefore, regular visiting of past and online materials is strongly advised for them to hone their technique for each question.
- There is strong overlap between the skills required for many of the Language paper questions and the Literature course. Therefore, detailed language analysis practice of studied Literature texts will aid the Language course, too.

- **a modern text** (An Inspector Calls)
- **an exam board poetry anthology** (Power and Conflict)

Assessment

Students are assessed entirely by terminal, public exams. All exams are closed book. There is no coursework.

The two exams are constructed as follows:

Paper 1: (1:45 hrs / 64 marks)

- c) **Macbeth** (34 marks)
An extract-based question, requiring students to answer a single question on a given character or theme. There are an additional 4 marks available for accuracy of spelling, punctuation and grammar.

A comparative question, requiring students to compare the presentation of a given theme in two studied poems.
- c) **unseen poetry** (32 marks)
A response to an unseen poem on a given theme (24 marks), followed by a comparison between this unseen poem with another unseen poem (8 marks).

Year 11 Mock Exam Information

Students will sit a full Literature Paper 1.

(The remaining texts will be assessed formally in lessons during the Spring term.)

Support Materials

- BBC Bitesize: [GCSE English Literature - AQA - BBC Bitesize](#)
- GCSE English Revision Pod: [GCSE English RevisionPod – Podcast – Podtail](#)
- Hodder Education Revision guides: <https://www.hoddereducation.co.uk/>

Other key points / reminders

- As the exams are closed book, there is a good deal of knowledge that students need to have in their memories. Therefore, regular, manageable and timely revision of previous content is essential for English Literature.
- Students should now be revisiting and revising the topics that will be assessed in December 2026, especially as some of this content was taught last academic year.
