

Dear Student

**Founder's Day Celebration Evening & Prize Giving**  
**Thursday 20 June 2019**

Every year we celebrate the school careers of all our Year Eleven students at our Founder's Day Celebration Evening & Prize Giving. We hope it will be a real celebration and a lot of fun. It is also a chance for you to gather together one last time after your exams have finished.

As part of the evening, each Year Eleven student will have their chance to walk across the stage as parents and families applaud their moment of recognition with staff and the friends you have shared your schooldays with. Students are asked to wear school uniform for the event; probably for the last time ever.

The event will be held in the School Sports Hall, starting at 7.00 p.m on Thursday 20 June, and will last about 90 minutes. Followed by an informal reception in the Quad, which you, and your family, would also be most welcome to attend. There will be free food and drink for you.

We would like our Celebration Evening to be a big success, and therefore ask as many of you to come and support each other as possible.

Please complete the form below and return it to the office to confirm your attendance and reserve your tickets. Please confirm the number of tickets you would like to request in total.

The very best of luck over the coming weeks, and I look forward to marking your student years at Wallingford School at this very special occasion.

Yours faithfully

NJ Willis

Headteacher
