TW/WW/June 2014

Dear Parent/Guardian

Wallingford School is constantly striving to offer our pupils transferable skills and experiences that will enable them to confidently take their next step in life. Our aim is for all pupils to be successfully placed in Employment, Apprenticeships, College or University when they have completed their education with us. This can only be achieved with your continued support.

Please could you take some time to consider whether you would be able to contribute to any of the following:

- Work Experience for Year 10 – One week during April
- Work Experience for 6th Form – Once a week during Term Time or to suit your business
- Help with mock interviews
- Career related talks to groups of students (e.g. your career path, what employers look for etc)
- Tours around your work place for small groups of students
- Facilities or resources for student use
- Apprenticeship opportunities
- Summer placements
- Shadowing experience
- Other career related opportunities

If you feel that you would be able to offer help please could you contact us at WARDT@wallingfordschool.com or admin.4140@wallingfordschool.com

Yours faithfully

Theresa Ward
Careers Adviser
Wallingford School

Sending every young person into the world able and qualified
