

# Nuclear Fusion: an Engineer's View

Roel Verhoeven, Culham Centre for Fusion Energy

**Tuesday 23<sup>rd</sup> May 7.30pm**

**Wallingford School Library, St George's Rd**

Nuclear fusion has long been a goal for physicists and engineers. The prize of a cost effective energy supply is big, but so are the challenges. In this talk Roel Verhoeven will give a clear overview of what nuclear fusion is and how it could be achieved. Some of the key challenges and new technologies will be highlighted

Join us at **Wallingford School Library**, above the Sixth Form Centre, on St George's Road, Wallingford, OX10 8HH. All meetings are FREE and very informal. They are aimed at non-specialists and there is always plenty of time for questions and refreshments. Doors open from 7:00pm.
