German-language films & series on Netflix

Age limit	Genre	Title	Synopsis
U	*Cartoon/Film*	*Trick or Treaters (Die 3 Räuber)*	Cartoon about some thieves who are won over by a young, orphan girl.
PG	*Reality TV*	*Wer kann, der kann (Nailed it! Germany)*	German spin-off of Netflix's hilarious pastry disaster show. Savour the lighthearted Schadenfreude of witnessing untalented home chefs compete for cash with their epic baking fails. Lots of *Umgangssprache* (slang).
12	*Documentary*	*Pedal the World*	In 2013, Felix Starck spent a year traveling 11,185 miles across 22 countries on four continents by bike. "Pedal the World" is the documentary film about that year and all the amazing—and sometimes tricky—experiences he had. In addition to the physical demands of such a feat, Felix films it all himself.
12	*Film*	*Bibi und Tina*	Series based on the adventure of a teenage witch called Bibi and her best friend Tina.
12	*Drama/History*	*Charité*	At Berlin's Charité hospital in 1888, young nurse Ida finds romance, a path to her dream job in medicine, and an inside look into the cures for tuberculosis and diphtheria.
12	*Film, History*	*Sarajevo*	The events in Sarajevo in 1914 leading to the start of the First World War are the backdrop for this thriller.
15	*Comedy, Romance, Film*	*Isi and Ossi*	To realise their culinary and boxing dreams, the daughter of a billionaire forms a mutually beneficial alliance with the son of a struggling single mum.
15	Comedy, Film	*3 Turken und ein Baby*	This hilarious comedy film follows three brothers whose lives get turned upside down when one brother has to care for the baby of an ex-girlfriend after she gets hospitalized. Starring prolific actor Kostja Ullmann and German rapper Eko Fresh, the three brothers must put aside their own problems—stemming from bad financial choices, bad luck and Ullmann's character's womanizing—to care for something other than themselves.

You can watch many English-language films and series with German audio too! Open Netflix in a web browser, scroll down to **Audio and subtitles** at the bottom and select **audio, German** – you can sort them by **A-Z**. They should all have English subtitles!
