6th Form

A message from the 6f team:

We would like to say a huge 'well done' to Year 13 for their exemplary approach toward their final exams. With a number of students now finished completely, there are just 4 more days of public exams remaining. We hope that all Year 13 students enjoy themselves once the exams have finally concluded & we look forward to the leavers ball and books 4 books day next week. The baton passes to Year 12 who have one more week before their mock exams commence. We wish them the very best of luck. Meanwhile, the newly elected student leadership group have got out of the blocks quickly and we are delighted to see how proactive they have been with engaging with the wider school community.
