6th Form

A message from the 6f team:

It was lovely to see Year 13 together again as they celebrated the end of their exams, collected their yearbooks and danced the night away at the Leavers' Ball. A big thank you to Mrs Honer- Lee, Mrs Lutunatabua and Mrs Hornsby for all the organisation of the event and to Mrs Williams for making 150 bracelets as keepsakes. The evening was such a pleasure – you are great company! Our attention now turns to our Year 12 who are beginning their exams next week, and to our upcoming Year 12s who are here for taster days. Whether you are relaxing from or preparing for exams, we wish you a very good weekend.

Year 12 Mock Exams - Mon 22nd June – Wed 1st July

The information and timetable for Year 12 mock exams has been communicated to parents/carers this week.

Year 12 Futures Week – 6th -10th July

In the week 6th – 10th July – Year 12 will be having 'Futures Week'. The week will consist of a number of workshops, activities and guest speakers. The overall aim is to inform students about the possible pathways available to them beyond 6th form. As part of this week, we would like to take the whole year group to visit Cardiff University on Wednesday 8th July. More information on this will follow in separate communication next week.

Y12 Work Experience

If you have signed up for or completed any work experience – virtual or in person, please can you speak to Mrs Lutunatabua or email lutunatabuaa@wallingfordschool.com with the details.

Y12 Afternoon Revision Sessions

These will take place from **3-5pm** in the **6th Form Study Room** on **Tuesday, Wednesday and Thursday**.

We encourage you to attend to chip away at your revision timetable.

Futures For All

Discover a library packed with recordings from previous live virtual broadcasts, available to watch anytime. It's an easy way to catch up on sessions you may have missed or revisit topics that matter to you.

The site also highlights upcoming live broadcasts, so you can register in advance and join sessions in real time. We recommend checking the site regularly to stay up to date, informed, and inspired. Click [here](#) for access to the library.

Year 13 Leavers Prom

The Year 13 Leavers' Prom was truly a spectacular evening, marking the end of an incredible journey for our students. From the moment guests began to arrive, dressed in elegant gowns and sharp suits, there was an atmosphere of excitement, celebration, and just a hint of nostalgia, the dance floor was undoubtedly one of the highlights of the evening.

As the night drew to a close, there were smiles, hugs, and promises to keep in touch. While it marked the end of one chapter, it also signalled the beginning of many exciting new journeys.

University Open Days

This is a brilliant time to start researching university and the many [open days](#) that they will be offering.

Most open days are at the weekend but should one be during the school week that you wish to attend, please email sixthform@wallingfordschool.com to inform us. Students will have to get catch up with any work they miss out on. This will be marked as authorised absence.

Current Affairs Kahoot This Week

Useful Opportunities

Girls in Aviation Day at AirTanker

www.surveymonkey.com/r/GIAD26

AirTanker are hosting Girls in Aviation Day at RAF Brize Norton on **Saturday 19th September** and applications are now open. This event is designed for **girls aged 13 to 18** who are curious about what a future in aerospace and defence could look like. Too many young people rule out careers before they have had the chance to see what they involve. Giving girls access to real environments and experiences helps change that.

On the day, participants will:

-  Step inside a real aviation environment at the AirTanker Hub
-  Take part in hands-on activities and team challenges
-  Get closer to aircraft and explore how they work
-  Experience how flight planning and operations come together
-  See how different skills and interests link to real careers

The Met Office

[Download information](#)

The Met Office online work experience is available for **students aged 13 to 18**. It is designed to give a broad overview of different departments at the Met Office and provides the opportunity for students to tap into individualised support from Met Office staff across the organisation via an online, safeguarded chat system, which works much as if they were emailing with colleagues. The programme provides an experience of working remotely, as so many of us now do, and guidance is given on how to do this effectively. Students who have completed the online programme are eligible to apply for an in-person work experience placement.

Just Teach

Do you have the passion and dedication to be a teacher? Maybe you're curious and just want to find out what it's 'really' like. Whatever stage you're at with deciding on your next steps, this 2 Day experience will help you shape your future. You'll hear from Early Years Teachers, High School Teachers, and alternative provision teaching staff.
