6th Form

A message from the 6f team:

Year 12s concluded their mock examination period and congratulate them on their exam approach, etiquette and attitude. Smalls things, like turning up on time, make a large cumulative difference, and we hope these habits continue into Year 13. They now have Futures Week to look forward to, where they will encounter too many opportunities to list here. We strongly encourage all students to approach the week with curiosity and an open mind. Whether students are still figuring out their next steps, or if they have a firm plan in place, all students will have the opportunity to progress on their next steps journey. Have a great weekend.
