6th Form

A message from the 6f team:

Well done to Year 12 for engaging so positively with Futures Week. It has been a busy week, kicking off with the Human Library on Monday, a brief interlude of Sports Day on Tuesday where Year 12 lead the school superbly. On Wednesday we had a great day out to Cardiff University followed by City Centre. Thursday & Friday have been geared more towards starting applications, whilst also having useful sessions on job interviews and money management. We would like to express our gratitude to all parents of 6th form students who have come in to help running sessions this week.

Useful Opportunities

Airline Pilot Careers Course

BECOME A PILOT PREPARATION ACADEMY 2026-27 IS NOW OPEN FOR STUDENT ENROLMENT.

<http://www.theaviationguy.co.uk/>

With airlines agreeing to fully fund thousands of future airline pilot training places preparation for application is crucial if students are to succeed in gaining a funded place.

The course is delivered online for 13 weeks every Tuesday between 6pm & 8pm, starting 8th September 2026. The online sessions are a mix of knowledge and skill-based tuition which provide A Level (and some GCSE) tuition of the main parts of the nationally examined specifications bridged to aviation as well as coaching and mentoring on how to write winning applications for fully (or self) funded flight training on some of the most prestigious or competitive flight training programmes offered by UK airlines and flight training providers.

The maths and physics element builds around the core knowledge and skills required to apply and pass the selection process, it harnesses the main aspects of the maths and physics specifications so is relevant to their course of study. **Please note there are only 50 spaces nationally before the course is filled.**

HTS Creative Summer Role – Summer Job

Ever wondered how the lighting, sound and staging come together at a festival, gig, or corporate event? Here's your chance to find out, and get paid for it.

HTS Creative (formally Henley Theatre Services) is looking for a hands-on, hardworking student for a paid summer role: 4 days a week in our warehouse learning how live event equipment is prepped, tested and maintained, plus 1 day a week onsite at real events working alongside our senior engineers.

Full training given. Just bring energy, reliability, and a genuine interest in how the industry works. We deliver every part of what makes an event happen, so if you have an interest in Sound, Lighting, Video, Staging or Power, you will get a chance to work with it all and hopefully find some new ideas for your future career.

Show us what you've got over the summer, and there's a real opportunity to progress straight into a full apprenticeship with us afterwards.

📍 HTS Creative 6 Verda Park Wallingford

📅 12 July 26 – Mid September

Apply now: Careers@htscreative.co.uk Please send a covering email and ideally a cv, showing your interest in the industry Have a look at the events you will be helping to create at <https://henleytheatreservices.com/>
