

Wallingford School Sixth Form News

Term 6, Week 4: 27th June, 2025

Email: sixthform@wallingfordschool.com

6th Form

A message from 6F team:

It has been a real mixture of a week, with Year 12s starting their mock exams on Monday, which was the same day as the Year 13 Leavers Ball. Well done to Year 12s for a great start, and well done to Year 13 for a wonderful celebration.

It was great to see some of our sixth form during our Founders evening, either receiving awards, representing the student leadership group, or performing. The music was outstanding and well done to all of you.

With both year groups missing from the Sixth Form we look forward to welcoming our Year 12s back after their Mocks on Thursday 3rd July.

Have a wonderful weekend.

Events coming up:

Week Commencing 30th June

Year 12 Mocks – *continuing*

Return to normal timetable – Thursday 3rd July

Higher Education Parents Evening – Wednesday 2nd July 6pm in Main Hall

DofE Gold Expedition – Thursday 3rd July - Monday 7th July

Important information & News

We wish a Happy Birthday to Judie and Daisy.
We wish a Happy 18th Birthday to Lilli.

Sponsored Walk

[Sponsored Walk 2025 - GiveWheel](#)

This year, we are fundraising for Helen & Douglas House and Oxford Hospitals Charity with a target of £20,000. Wallingford School, Brightwell cum Sotwell CofE Primary School and Crowmarsh Gifford CofE Primary School will put on their walking shoes and head across the fields to the Wittenham Clumps and back (8 miles!) on Tuesday 15th July 2025 - please do give us a wave to show your support.

Higher Education Evening

A reminder that all Year 12 parents and carers are invited to our Higher Education Information Evening at 6pm on Wednesday 2nd July in the Main Hall. This will give information on the process of applying for university and provide an insight into Futures Week. We look forward to seeing you there for the presentation, which will be completed by 7pm.

Taster Days

We welcomed next year's Year 12s to our two taster days earlier in the week. It was great to have them in the Sixth Form, and we look forward to seeing them in September.

Founders Day

One of the highlights of the year, Founders Day celebrated both pastoral and academic successes this year. The whole of Year 11 gathered, as usual, and students from Years 12 and 13 were also recognised for their achievements. Congratulations to all of them and to the sixthformers who performed so brilliantly with Bigg Band.

Y13 Leavers Ball

Another highlight of the year, it was fabulous to spend some time with our departing Year 13 students before they move on to the freedom of summer and the adventures that await in September. Thank you to Mr Harpin and Mrs Hornsby for all the work that went into organising the ball and the year book and hoodies.

Useful Opportunities

Morgan Stanley Insight Programmes

<https://morganstanley.tal.net/vx/mobile-0/brand-2/candidate/so/pm/1/pl/2/opp/18896-2025-Morgan-Stanley-Early-Insight-Summer-Programmes/en-GB>

Morgan Stanley's Early Insight Programmes for **Year 11, 12 and 13 students** are now live. Students can join them this summer to discover what it is like to work at Morgan Stanley and gain an insight into future opportunities available to them. The programmes include insights into STEM, banking and finance.

Police: Now

www.policenow.org.uk

Police Now is the UK's only national graduate programme into policing. They recruit and train graduates to become frontline policed officers and detectives, tackling crime and transforming communities.

IBM SkillsBuild

[College Students - IBM SkillsBuild](#)

IBM SkillsBuild has over 1,000 courses in 20 different languages. Their education programmes focus on AI, Cyber Security and Data Analysis. A great resource for our learning/development and students interested in a tech career!

Care UK Virtual Insight

Please also have a look at the Work Experience and the Careers board in Study for more information.
