

Attachment: Role of the father

You should use the digital book for this work. See the VLE and SatchelOne for login information.

A01 - description

- ☐ Read 'The specification says' section
- ☐ Check the Lifelines – make sure you scan these to understand the reading
- ☐ Make structured notes from these headings. You need to know what the issues is (the first paragraph under each heading, and then what the research tells us):
 - Attachment to fathers
 - Distinctive role for fathers
 - Fathers as primary attachment figure
- ☐ Wally Extension – see the E link in the Digital Book on the Demby et al. (2017) study

A03 – Evaluation

Use the table below to guide you to reading through and making evaluation notes. You can also use the A03 from the attached sheet.

Use Point-Relevance-Conclude when doing A03 notes.

Strengths	Weaknesses
	Confusion over research questions
Counterpoint (fathers take distinctive roles in heterosexual families)	Conflicting evidence from same sex parent families
Real world application	
	eXtra – research bias

Quiz, Apply It

- ☐ Complete the quiz to test your understanding
- ☐ Do the Apply It questions and check your answers
