

<b>A Level Mathematics</b>
Edexcel Mathematics 9MAO
<p><b>Books you will be provided with:</b></p> <p>Pure Mathematics Year 1/AS ISBN 978-1-292-18339-8</p> <p>Pure Mathematics Year 2 ISBN 978-1-292-18340-4</p> <p>Statistics and Mechanics Year 1/AS ISBN 978-1-292-23253-9</p> <p>Statistics and Mechanics Year 2 ISBN 978-1-4469-4407-3</p> <p>You will also need a graphical calculator (more details to follow in September)</p>
<p><b>Resources you may choose to buy/look at (although these are entirely optional):</b></p> <p>None. If you just wanted to do more Maths, then you can go to MathsWatch</p> <p>You have been provided with an A4 booklet of questions and the answers.</p> <p>You must complete all of these questions and show all of your working out. This must be presented well – remember this piece of work will be the first impression your new teacher in year 12 will have of you – make sure it is a good one.</p> <p>All of your work should be marked, using the answers that were provided and any corrections should have been made.</p> <p>Within the first few weeks of term you will complete an assessment, there will be at least one question from every section. You will be expected to score a high mark in this assessment. You are allowed to use a calculator for all questions – all the exams in year 13 are a calculator papers, remember to write down what you type into your calculator.</p> <p>On the VLE you will find;</p> <p>Maths transition work – Examples (if you are struggling with any of the questions, please go to this, it has examples for you to read)</p> <p>Maths transition work – Extension questions (these questions are optional, please only complete them if you would like to)</p> <p>Maths transition work – Instructions (you were given these if you attended taster day)</p> <p>Maths transition work – Questions and Answers (you were given these if you attended taster day)</p> <p><b>Work to be completed by 19<sup>th</sup> July 2025:</b></p> <p>We suggest by this date you have completed the first half of the booklet of questions.</p>
<p><b>Work to be completed by 3<sup>rd</sup> September 2022:</b></p> <p>The rest of the booklet of questions</p>
<p><b>What to bring with you to the first lesson in September:</b></p> <p>Your completed questions with any problem areas/questions highlighted to ask about.</p> <p>Regular scientific calculator.</p>
<p><b>Any questions?</b> Please email <a href="mailto:ramsayj@wallingfordschool.com">ramsayj@wallingfordschool.com</a> before 19<sup>th</sup> July</p>
