

Development of the Symphony

1. Please go to this amazing website:

<https://alevelmusic.com/resources/development-of-the-symphony/>

2. Read through the information about the Development of the Symphony and listen to one symphony from each list (you could put this on whilst you complete your other homework)
3. Write a page about one of the symphonies – this will be presented to the class in the first week of lessons in September. You may wish to consider MAD TSHIRT here. And if you click on the link on the website you will find information on the symphony you are listening to.

If you need any help/more homework please email me hammondy@wallingfordschool.com

Enjoy Ms H
