

# English A Level Summer Work

In preparation for starting your A Level in English Literature please make sure you have:

- Completed the essay on the poems 'Giuseppe' and 'Two Trees'. The question is: 'Compare the ways in which poets present responses to unusual events in Don Patterson's *Two Trees*\* and Ford's *Giuseppe*'.
- Have a look at [this reading list](#) - this a list of all the A Level specification set texts and is a good place to start if you're stuck.
- Be ready to discuss a book you've read over the summer - it could be a 'comfort' read or something more challenging.

Looking forward to seeing your work in September!
